GENERAL ORDER 05-38

Unless otherwise ordered by a judge of this Court, IT IS ORDERED that an attorney who is representing a client that has been terminated from a civil or criminal case by means of judgment, order or stipulation of dismissal, and for which the time to appeal said judgment or order has expired, may file a Notice of Waiver of Service of any further documents that may be filed in that particular action. The attorney must certify that he or she is the lead attorney and/or is otherwise authorized to file the waiver on behalf of the represented party. The lead attorney may also file the Notice on behalf of attorneys who are from and/or associated with the lead attorney's firm or agency, by specifically naming those associates and by certifying that he or she is authorized to waive service of documents on their behalf.

IT IS FURTHER ORDERED that the filing of such Notice of Waiver serves only to suspend electronic service of documents and does not alter any attorney-client relationship or relieve an attorney of his or her responsibilities in the case including those set forth in Local Rule of Civil Procedure 83.3.

DATED this 13th day of December 2005.
